

STATEMENT OF PURPOSE AND MISSION:

As it becomes increasingly obvious that the Constitution of the State of Wisconsin and the Constitution of the United States are being ignored, violated, and trampled on, we find it necessary to establish the

17th Wisconsin Militia Special Operations Command.

It shall be the sworn duty of this Militia to protect, defend, support, uphold and obey the Constitutions of the State of Wisconsin and the United States of America. Notice is hereby given that violations of either the State or National Constitution, by any alliance, nation, power, state, organization, agency, office, or individual shall be met with a fierce and determined resistance.

It shall also be the duty of this Militia to provide each member with a thorough working knowledge of Constitutional rights and a good understanding of State, Local, and Federal Government. The Militia shall at all times assist members who wish to contact their elected representatives. The command staff of the brigade shall inform the unit of any pending legislative action that may be of concern to the Militia.

It shall also be the duty of the Militia to continually strive for a high state of preparedness for a number of situations that may arise. These situations include, but are not limited to: invasion by a foreign power, invasion by foreign soldiers under multinational command, suspension of Constitutional rule, natural and man-made disasters, support of Constitutionally legitimate State and Local Government agencies, search and rescue situations, and any other number of emergencies.

The Militia shall, at all times, act with the highest standards of decency and honor.
